2020-2021 SPIRIT OF SHEBOYGAN COUNTY AWARDS

This awards ceremony was created to celebrate individuals, groups, and companies that epitomize the spirit of giving throughout the year.

The true spirit of giving resides in the hearts of individuals that give with no expectation of anything in return and we are so lucky to have such generous people that support our community every year, but especially this last year. The categories changed this year to mirror the efforts made by community members to support continued and rising needs across Sheboygan County.
