## Sheboygan County Health and Human Services

**Program:** Birth to Three

Children do different things at different ages. Some babies sit without support at six months old, while others need help until they are nine months old. Some toddlers start talking when they are a year old. Others might take longer to say their first words. If you are worried about the way your baby or toddler is developing, don't wait!

For assistance with basic needs, housing, utilities, food, clothing, employment, support groups, legal aid or other essential needs, please dial 2-1-1 or search [www.211now.org](http://www.211now.org).

Another great local resource is Mental Health America (MHA) Lakeshore's [Community Resource Guide](#).

For resources for families, students, and educators as they navigate the school year, check out MHA Lakeshore's [Back to School Toolkit](#), a collection of resources that will be updated throughout the school year.

For general emergencies, dial 911.  
For a mental health emergency, please dial 988.

To protect your health and safety, as well as the health and safety of agency staff and clients, please do not sign-up for events or programs if you are feeling ill. Please be mindful of the [CDC](#) and [Public Health's](#) recommendations.

The agencies listed are independent nonprofit organizations and are not controlled, operated or managed by Community Partnership for Children of Sheboygan County (CPC). The information about the youth and family resources are provided to CPC by the organizations.
