

Greetings!

Help us to raise awareness and continue providing mental health care to youth in our communities by supporting the 7th annual Youth Mental Health Golf Day at Sunset Hills Golf Course on **Friday, June 20, 2025**. This nine-hole, par three golf course provides the perfect combination of challenge and fun for all skill level golfers.

Not a golfer? No problem. Join us by playing a round on their mini golf course, participating in the event's raffle (participants do not need to be present to win), and/or donating directly to the cause.

Proceeds from this event help continue and strengthen the amount of services youth receive each year via the PATH Youth Mental Health Program. Waitlists continue to grow, making the need more important than ever!

The following are ways that you can show your support for this event:

- **Book a tee time** and/or reserve a mini golf time slot by calling Sunset Hills Golf Shop at (920) 467-0780. Let them know you are taking part in the Youth Mental Health Golf Day!
- **Become a sponsor.** (See reverse side for details)
- **Donate an item** for the event raffle.

With your support, we work together to close gaps in youth mental health services in our community. **Your response by Friday, May 23rd is appreciated.**

Brianna Heusterberg
