

SCHOOL-BASED MENTAL HEALTH COMMUNITY IMPACT INITIATIVE  

What Is PATH?

PATH is a school-based mental health program that helps create increased access to services for youth by removing financial and geographical barriers.

Who Can Receive PATH Services?

PATH provides counseling to students ages K5 through 12th grade who may be experiencing emotional or behavioral concerns with a barrier that prevents counseling in the community.

What School Districts in Sheboygan County have PATH?

- Cedar Grove-Belgium
- Elkhart Lake-Glenbeulah
- Howards Grove
- Kohler
- Oostburg
- Plymouth
- Random Lake
- Sheboygan Area

How do I learn more and/or get my child in PATH?

Contact your child's school counselor to learn more about PATH, if your child qualifies, and if there is availability at your school.

Youth Mental Health 101

There are

19,428

school-aged youth in
Sheboygan County

1 in 6

or 3,245 of those
students

will have a
mental health disorder
in any given year

**Sadly, 44% (1,428) of
the 3,245 students
who will struggle**

will not receive **ANY**
mental health
treatment

**500+
students**

receive treatment
each year, thanks to
PATH.
