

# DAY OF CARING & CAMPAIGN KICKOFF

United Way of Sheboygan County's Day of Caring is the largest volunteer event in our community—bringing together hundreds of passionate individuals from local businesses and organizations to make a tangible difference. Each year, volunteers roll up their sleeves to complete projects at local nonprofit agencies across Sheboygan County, from revitalizing community spaces to assisting with essential services.

By sponsoring Day of Caring, your company will be recognized as a leader in corporate social responsibility, fostering employee engagement while making a lasting local impact. This high-visibility event not only strengthens the community but also offers a unique opportunity to showcase your commitment to building a better Sheboygan County—one project at a time.

**September 25, 2025**

**Sites Throughout Sheboygan County**
