Preparing People for Jobs

Who We Are

The Joseph Project provides hope, resources, and faith-based education to Job Seekers. Successful completion of this 15-hour class GUARANTEES an interview for a full-time, permanent career with our employer partners.

Why Choose Us?

The program consists of a 4-day class that promotes life skills such as teamwork, time management, financial management, spiritual fitness, stress management, and conflict resolution. Participants will work to develop interview skills and effective resumes to provide to employers at the end of the program.
