RE: Transition of Runaway and Youth Services (RAYS) delivered by Lutheran Social Services (LSS) of Wisconsin and Upper Michigan, Inc.

Dear Community Partners:

I hope that this letter finds you healthy and safe.

Earlier in 2020 LSS made the difficult decision to end our facilitation of RAYS services and we began searching for another agency with services similar and complementary to RAYS who would be interested in taking on the program. We are so pleased that Foundations Health and Wholeness has decided to continue the RAYS program in Sheboygan County! As of 12/31/2020 LSS will no longer be facilitating the RAYS program. On 1/1/2021 Foundations Health and Wholeness will begin facilitating the program. We couldn't be happier that the youth of Sheboygan County will continue to have access to the much needed services that RAYS provides!

We at LSS would like to thank you for your partnership over the past years in supporting us in serving some of our community's most vulnerable youth. If you encounter youth who are homeless or have runaway or are at risk of homelessness please connect them with RAYS at Foundations Health and Wholeness.

Sincerely,

Andrea Mitchell
RAYS Program Supervisor
Lutheran Social Services of Wisconsin & Upper Michigan, Inc.
