

YOUR INVESTMENT AT WORK

Community Action Fund Donation

You give a gift to United Way of Sheboygan County's Community Action Fund to change the story for individuals and families.

Each year local programs focusing on education, health and financial stability apply for funding.

Volunteers review program applications and make funding decisions, holding each agency accountable for the funds used.

Funding is invested in 40 programs at 21 agencies and three community impact initiatives to meet community needs! All of the programs who receive funding are paid out monthly.

Partner Agency Donation

You give a gift to a United Way of Sheboygan County Partner Agency.

Your donation is designated to the agency and is paid out monthly. Each of our Partner Agencies are held to extremely high standards.

Other Nonprofit Organization Donation

You give a gift to a nonprofit agency that is not associated with United Way of Sheboygan County.

Your donation is paid to the agency bi-annually and your contribution helps to continue the good work they do.

THANK YOU FOR MAKING A DIFFERENCE IN THE LIVES OF OTHERS!
